Department: Education and Skills
Asked by: James Lawless T.D.

QUESTION

To ask the Minister for Education and Skills the timeline for the construction and remaining stages of a new building for a school (details supplied); and if he will make a statement on the matter. (Details Supplied) Naas Community College Naas community college, roll number 76194S

REPLY

The project to which the Deputy refers has been devolved for delivery to the local Education and Training Board (ETB).

The project is at stage 2b of the architectural planning process. When stage 2 b has been approved, the next stage is tendering for a contractor. My Department expects to be able to approve the project to proceed to tender shortly. It is not possible to provide a construction timeline for the project until the tendering process has been completed.
