Candidates for Local Elections 2014  
Naas Constituency

7th March 2014

**RE: Planning Issues in The Waterways, Sallins, Co. Kildare**

Dear Candidate,

We are writing to you as directors of three management companies that represent the interests of over two hundred households and businesses. On behalf of our members, we would like to know what you are proposing to do to help the residents, landlords and businesses in The Waterways, Sallins, in order to overcome the difficulties they face due to continuing planning difficulties.

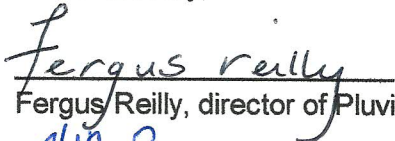

We would like to know specifically what you have done or plan to do:

1. To help find a resolution to the unfinished surface water drainage system.
2. To help re-open the Park & Ride facility and underground car.
3. To help the estate meet all planning conditions, and bring the estate to completion.
4. To help bring new businesses into the estate.
5. To help the estate to be taken in charge in due course.

We are writing to all candidates for the local elections. We will let all our members know of all the responses we did and did not receive and publish them online:

<http://thewaterways.wordpress.com>

Yours faithfully,

Fergus Reilly, director of Pluvia Management Company

Keith Brennan, director of Kerdiffstown Management Company

Gillian Fennell, director of BB Waterways Management Company
